Sonoma County isn't only a haven for grape-lovers but also at the center of a craft-brew renaissance! The Brews and Buffalos Safari Adventure was designed around the idea that sipping a cold one while exploring the Sonoma Serengeti may be the most relaxing way to experience Safari West.

On this private safari, you'll enjoy the undivided attention of your very own guide as you explore. Upon arrival at Flamingo Landing, you'll enjoy delicious snacks and a sampling of a rotating selection of brews from several Sonoma County and California breweries.
